

Heavy Duty Workshops

Home Office/Studio/Bespoke Buildings Any size, style and layout available

- Our Heavy Duty Workshops come treated and are constructed using 2½" x 1½" framing, with 7' eaves height, Sisalkraft paper lining, heavy 38kg torched on roofing felt and solid framed double doors all as standard. They can easily be adapted for many uses i.e. office, studio or garage etc.
- For lining, insulation, door, window and roofing options please see reverse.
- Erection charges include any necessary bricks, bearers and damp proof course to erect on customers firm level site.
- NB: These buildings will not go through a standard door or gate with fixed top.
- Please check your access before ordering and see OPTIONAL EXTRAS for sections made in smaller parts.
